

PTO SPRING FLING BASKETS

Spring Fling is coming up March 3rd! So we need to start filling up our baskets for the basket raffle. For those of you that haven't been involved before, Spring Fling is our annual fundraiser. We have games, food, silent auctions and a gift basket raffle – it is a lot of fun for the kids and parents.

Each classroom has a basket assigned to fill up, the baskets and some suggestions for each are listed below. Please feel free to send items for any basket, regardless of the basket for your child's classroom. If you prefer, you can also donate money so that we may purchase items for the baskets. Items can be brought to school any time. For questions, please email or call Carrie Messmore (cmessmore@cox.net or 778-1959).

In addition to the baskets listed below, we will also have some special baskets just for the kids!
